Executive Session

Present: All the above Board members and Dr. Wheeler; Ms. Della Volpe; and Ms. Kubisek.

Open session resumed at 6:57 p.m.

MOTION made by Ms. Carr and seconded by Ms. Fabbri: that based on evidence in the record, that **STUDENT A** be expelled for a period of one calendar year, effective November 10, 2010 and continuing through November 8, 2011, based on **Student A's** conduct in willfully assaulting another student on school grounds, on or about October 28, 2010, subject to the following conditions:

- a) During the period of expulsion, the Board will provide **Student A** with an alternative educational opportunity deemed appropriate by the Administration.
- b) During the period of the expulsion, **Student A** will not be permitted to be on school grounds and will not be permitted to attend or participate in any school-sponsored activities, with the sole exception of his participation in the alternative education opportunity provided by the Board in accordance with the provisions of this motion.

- c) On or about August 31, 2011, the Administration shall review **Student A's** conduct, as well as his participation and effort level in the alternative educational opportunity. If the Administration determines that **Student A's** conduct, together with this attendance and effort level in the alternative educational opportunity, merits early readmission to school, the Administration may, in its sole discretion, readmit **Student A** to school, effective on or about August 31, 2011.
- d) If the Administration determines that **Student A** should be readmitted to school early in accordance with the preceding section, and if **Student A** subsequently commits any offense that would warrant suspension and/or expulsion under the policies of the Litchfield Board of Education, then the Administration may reinstate **Student A's** expulsion for the remainder of the expulsion period (through and including November 8, 2011), without the need for any further proceedings before the Litchfield Board of Education.
