Annual Public Notification Requirement

The Litchfield Public Schools have released the following statement regarding vocational program compliance at Litchfield High School:

Litchfield High School offers vocational programs regardless of race, color, national origin, sex, or disability. The programs offered are technology education (Communication, Television Production, CAD Mechanical, Computer Repair, Power and Energy, Construction, Architectural Drafting I and II, Photography, and Photographic Design), business education (Accounting I and II, Intro to Web Design, Advanced Web Design, Information/Technology Literacy, Marketing, E-Commerce, Desktop Publishing, Personal Financial Management, and Career Readiness), family and consumer education (Food Science, Culinary Arts Bake Shop, Culinary Arts Technique, and Sewing Fundamentals). Unless specified, all the vocational programs are available for all students. Admission criteria are listed in the LHS Program of Studies, on the LHS Internet website or available by contacting Mr. Zaremski. For example, Introduction to Web Design would be a prerequisite for Advanced Web Design. The mission of the Litchfield High School community is to work together to graduate knowledgeable, skillful, and productive individuals.

Questions regarding civil rights compliance may be directed to the Equity Coordinator, Gary Zaremski, Director of Special Services at 860-567-7505 or zaremskig@litchfieldschools.org, or Litchfield Intermediate School, 35 Plumb Hill Road, P.O. Box 110, Litchfield, CT 06759-0110. He is designated to coordinate compliance under Title IX and Section 504 for the Litchfield Public Schools.
