- Seniors with averages of 90 or higher may be excused from FINAL exams for semester courses – not mid-term exams for full year courses.
- Students cannot reschedule exams for reasons other than illness or permission from administration.
- Students should coordinate directly with their teacher to schedule the time and place for make-up exams.
- Students who do not have an exam scheduled do not have to come to school for that period. If students are in school when there is no exam scheduled, they should report to the library. Students who do not have early release or late arrival privileges must bring in a note from a parent to excuse an early dismissal or late arrival on exam days.
