

## COMMUNITY RELATIONS

# 1330

### USE OF SCHOOL FACILITIES

#### Public Use

Written requests for the use of school facilities by individuals or groups other than those that are a part of the school program shall be made to the Superintendent. All approved programs shall have educational or community value. Use of school facilities will be allowed only if it does not conflict with the normal use and maintenance of the school facility. A copy of the regulations governing use of facilities and the fee schedule will be given to the requesting organization.
