

**SCHOOL CLOSINGS**

Parents or guardians of all students are responsible during inclement weather to keep themselves informed when there are changes to or cancellations of school bus travel. The Office of the Superintendent shall make arrangements with radio, and television stations serving the area, for broadcasting announcements of either full closing or delayed opening school days. Links to media will be accessible on the Litchfield Public Schools web site. The district's emergency broadcasting system may also be used to communicate with parents and staff as determined by the Superintendent of Schools. The Superintendent or his/her designee is the only person in the school district authorized to make such decisions.
