SMOKING

There shall be no electronic nicotine delivery systems, vapor products, smoking or use of tobacco products on school property, on transportation provided by the Litchfield Public Schools, or during the course of any trip sponsored by the Litchfield Public Schools or under the supervision of the Litchfield Public Schools or its authorized agent.

A copy of this policy and the consequences of violating the policy shall be distributed to all employees of the Board of Education. Failure to comply with the policy may result in disciplinary action as detailed by the administration.
