"WHERE KIDS ARE THE CENTER OF OUR ATTENTION!"

April Newsletter

Dear Center School Families,

Spring is finally here, and I know we are all welcoming the warm weather with open arms. The buzz is alive and well at Center School. Our classrooms and hallways are buzzing with the excitement of what this time of year has to offer. We begin the month of April with parent/teacher conferences, then we break for April vacation. It is hard to believe that when we come back from vacation, we will be in our final trimester of the school year.

Over the past few days, I have had the opportunity to greet you in our school while you were attending your parent/teacher conference. I am so fortunate to be part of a school community that values collaboration and the bond between home and school. Conferences are one way of the many ways in which we can build our collaboration and strengthen our bond with the purpose of supporting our students. Furthermore, conferences provide us with the opportunity and time to celebrate and recognize the wonderful achievements made by our children and plan for next steps. As I have shared in previous newsletters, I strongly believe when we engage in purposeful collaboration, while keeping students at the center of our dialogue, we will continue to move forward in a positive and productive direction that will ultimately support *all* of our students.

As you know, there is so much to celebrate at our school. Last month, we held our second Keys to Good Character assembly. We had the wonderful opportunity to celebrate our students and hear about the respect, responsibility, empathy, trustworthiness, and fairness that they demonstrate each and every day. It was truly inspiring to watch them come together and support each other and celebrate as a community and family. The month of April will feature many exciting opportunities, such as the Center School Science Fair which will be held on April 25th.

As the weather improves, students will be enjoying outdoor recess more frequently. Please ensure that your child is dressed appropriately. I continue to appreciate your support, patience, and cooperation in adhering to our arrival and dismissal procedures and continuing to make these busy times of the day safe for our students.

Finally, there is so much to celebrate at Center School! I gratefully and sincerely appreciate all that you do for our students, teachers, school, and community. As always, I welcome your feedback and collaboration in making our school and community supportive, productive, and safe for our students. Center School is a special place and a place where *all* our students are *always* at the *center* of our attention!

Have a wonderful, safe, and relaxing April vacation.

Warmest Regards,

Abe Ammary
Principal, Center School
