"WHERE KIDS ARE THE CENTER OF OUR ATTENTION!"

May Newsletter

Dear Center School Families,

It is hard to believe that we are now in the month of May! This is always an exciting and busy time of year for our students. Students are deep in their learning with engaging projects and activities. At the same time, we are starting to plan and think about next school year.

An example of one of the many engaging activities occurring is our annual A.C.E.S. or *All Children Exercising Simultaneously* event. This wonderful school-wide event was held on May 3rd and led by Mr. Parker. Other activities during this month that our students will be able to enjoy include field trips and grade-level activities and celebrations. Our website offers more details and a glimpse of all the events happening over the next few weeks.

As we plan and think about next school year, there will be many new offerings for our students. One will be a summer math and writing academy in addition to our reading camp. More details regarding these academies will be available on our website shortly!

Throughout the year, our students have demonstrated strong character and have really worked hard at being that *Key to Good Character*. For the month of May, students will be learning about and working on the *Key to Good Character* trait of fairness. During a recent school-wide morning meeting, we discussed fairness as being able to: listen to others, do what is right, play by the rules, and share/take turns.

As the weather continues to improve, students will be enjoying the outdoors more frequently. Please ensure that your child is dressed appropriately for the weather and outdoor conditions.

Finally, we have so much to celebrate as a Center School community and family! I am grateful and sincerely appreciate all that you do for our students, teachers, school, and community. As always, I welcome your feedback and collaboration in making our school and community supportive, productive, and safe for our students and staff. Center School is a special place and a place where *all* our students are *always* at the *center* of our attention!

With Warmest Regards,

Abe Ammary
