Dear Parents and Guardians,

Recently a piece of the marble facade separated from the front of the building. An inspection of the building has been done and the issue appears to be only in the front. We are working with the Town of Litchfield to remedy the situation. At this time, the front doors in the middle of the building are not to be used.

Preschool will now use the doors to the left of our main entrance on Woodruff Street for all arrivals and departures. We will continue to monitor the situation and make any additional needed adjustments to our arrival and dismissal procedures.

Thank you,
Lisa Deltano
