"WHERE KIDS ARE THE CENTER OF OUR ATTENTION!"

Dear Center School Families,

Center School students have been working hard and have now completed the second unit of the Second Step program: Empathy. Each classroom will be moving on to the third unit: Emotion Management.

During the Emotion Management Unit, students learn that we feel feelings in our bodies and specific skills for calming down when experiencing strong feelings, such as frustration or anger.

I will continue to send the Home Links home via virtual backpack. Again, these lessons do not need to be signed and handed in, but it is encouraged that you go over them with your child to have an understanding of what they are learning and to make connections to your lives at home and in the community.

If you have any questions about the Second Step program, please do not hesitate to contact me for more information. Thank you for supporting your child in learning skills that lead to success in school and in life.

Sincerely,

Rachel Caporuscio
School Counselor

P.S. If you haven't already, please make sure to join SecondStep.org with the Activation Key indicated for your child's grade level. Here you can watch videos about the Second Step program and get information about what your student is learning.
