LITCHFIELD COMMUNITY CENTER

GOOGLE CS FIRST CODING CLUB

Join friends and certified teachers after-school to learn and develop core computer science concepts using the new SCRATCH 3.0 platform and programming language with Google CS First. Complete challenging projects and watch your coding creations come to life!

MONDAY AND TUESDAYS
FEBRUARY 4 - MARCH 5
3:30PM - 4:45PM
GRADES 4 - 7

Give your child the advantage. Computer science is a 21st-century skill that enables kids to be creators, rather than just consumers, of technology. The emphasis on problem solving, critical thinking and innovation will empower your child to be future ready!

Enroll by 1/28/19. No classes 2/18 or 2/19 during Winter Break; classes rescheduled for Wednesday 2/20 and Thursday 2/21. Transportation from Litchfield Intermediate School to LCC can be arranged once enrolled.

$125 per student, 10 sessions. Snacks provided. Space is limited. Contact: Litchfield Community Center: info@thecommunitycenter.org
