Can you step on a cup and support yourself?  
Learn what happens when multiple cups are arranged with  
cardboard or paper and step on top! Multiple cup stacking arrangements  
will be created by students individually and in small groups  
to learn building and team working strategies.

*All workshops will be taught by educated, content-specific experienced staff from the EdAdvance School Age Programs.*

Please contact EdAdvance School Age Programs for further information at 800.852.4314 x167 or schoolage@edadvance.org.
