The data in this report differs from other College Board reports, such as *The AP Cohort Data Report*, which tracks exams taken by seniors throughout their time in high school (cohort-based) and includes public school data only.

If viewing this report by race/ethnicity please note that with the 2016 AP Exam administration the collection and reporting of race/ethnicity information was updated to reflect U.S. Department of Education guidelines. Schools and districts are strongly encouraged to use caution when making comparisons between 2015 and prior year data with 2016 and forward race/ethnicity subgroup data due to these changes.
